Can anybody help me? Please HELP me. Thanks Sweet75 9124778201 2012 Best of Lagest youtube blog I have always loved white girls but now that i am single and only going out with black girls. i have always had a thing for black girls but i would get nervous and feel ashamed when i was around them and when i would be flirting i would be afraid to talk or say anything to them. i always have found it hard to come up with things to say to them. i was only flirting with my mom in the kitchen because i did not want to make her feel like i was gay or something. i flirted with my sister because she was nice

and i could talk with her and tell her about things and what i was thinking and she would be so nice i could talk to her more. now though i am with my bf he is black but he wouldnt want me to be around many blacks because he thought i would be awkward around them.he is very supportive of me though.when i was with my bf in school i used to flirt with one of the white girls and she ended up coming on to me and she ended
