About This Game

Overview

Combat Racers is a fast-paced, local multiplayer car combat game for up to four players. You drive your own customized car, trying to outmaneuver and outgun your opponents. Quick reactions are essential as one wrong move can be the difference between winning and becoming a smoking wreck.

Choose the best loadout for your playstyle. Experiment with different combinations to blow your friends up! Get up close and personal with shotguns, make one-shot kills with a railgun or trick your enemies into chasing you and char them with the backburner!

Key Features

- **Fast-paced top-down local multiplayer action**
- **Multiple game modes with customizable options**
- **Front, side and rear weapons on each car**
- **Over 2000 different loadouts**

- **Full controller support**

We strongly recommend using a controller to play Combat Racers.

The cars drive *terribly* and with uncontrollable cars, there's uncontrollable combat.
Also, there's no variation to the gameplay... it's arena battle only, no racing.
Also, the weapon balance is poor.

I gave 45 minutes to Combat Racers, and that was plenty. I don't think there's anything this game does well.. Ever wanted to run over your friends? This is the right game for it.. FIRE, FIRE EVERYWHERE!
